

Film

Art Foundation Specialist Pathway

Art Foundation alumni who specialised in Film

Mariana Nascimento from Brazil, progressed to study Film Production at University for the Creative Arts before returning to her home country to work for a renowned film production company. Read an interview with her on our Kings Life blog.

Shiqi Zhang from China, progressed to study Film Practices at Newcastle University

"I have had the interest of studying film since I was in school. Kings was really helpful when deciding my first and second choice. After talking to my advisor at Kings, they made sure I took the right decision, and today I am very thankful for their support and coaching"

She yn Marie Yidi David from Colombia, progressed to study Film Production at UCA

Andrea Victoria Perez Nieto from Venezuela, progressed to study Film Studies at Bangor University

The study of Film includes components such as the early history of film, film genres, experimental art films, developing themes, film-making stages, pre-production, post production, filming techniques and equipment.
